

## Statewide Writing Assessment Scoring Confidentiality of Information Statement 2009-2010

During the Statewide Writing Assessment (SWA) scoring sessions held by the Nebraska Department of Education for the purposes of evaluating the writing performance of individual students in grades 4, 8, and 11 from across the state, you, as a Scoring Room Leader, Table Leader, and/or Rater, may encounter student responses that contain sensitive or personal information and information that may identify individuals and/or locales. Any such information must be kept confidential and may not be shared.

Your signature below is your agreement to maintain the confidentiality of all student response content that may be of a sensitive or personal nature and information that may identify individuals and/or locales.
